

American Lincoln Part

American Lincoln Part - Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the industry they are recognized as providing strong and durable machinery which meets the needs of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation-wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln can supply machinery, parts and warranty service for these kinds of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers such as Wal-Mart and Target. The 7765 line has earned the respect of several facility supervisors where results and efficiency make a difference. Recently, this particular floor scrubber model has been utilized by the architects in different construction jobs like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location because of the model's excellent quality and supreme performance level for polishing concrete.
